
Announcement about Natural Gas

Dear clients,

We inform you that Investment Company Limit Prime Securities AD Podgorica will cancel the old NatGas symbol for Natural Gas and open a new one.

You need to close the open positions you have with Natural Gas no later than today 02/24/2023 at 15:00, otherwise the system will close them at the last available price.

Natural Gas trading will continue under the same conditions only with a new futures contract. All trading conditions are available on the platform and will be published on our website.
