
Leverage change announcement

Dear clients,

We inform you that from Monday 06/02/2023 at 12:00 you can trade with higher leverage the assets as follows:

Montenegrin and International clients:

- the leverage for crude oil (USOIL, UKOIL) is increased from 1:10 to 1:50
- the leverage natural gas (NatGas) is increased from 1:10 to 1:50

Montenegrin clients only:

- the leverage of Silver (XAGUSD) is increased from 1:50 to 1:100

Note: Keep in mind that if you trade with these products and have open positions, your free margin will increase.
