

Notice to Clients

Dear Clients,

We hereby inform you that Limit Prime Securities AD Podgorica will cease providing services covered by the classification of activities and Article 206, paragraph 1, items 1, 2, 3, 4, and 5 of the Capital Market Law, as of February 28, 2026, namely:

Code 66.12 – Brokerage activities in securities and exchange-traded commodities

This activity includes:

- operations on the financial market on behalf of other persons;
- brokerage services related to securities for the purpose of:
- connecting sellers and buyers of specific financial instruments and related activities;
- brokerage services related to exchange-traded commodities and warehouse receipts;
- foreign exchange office services, etc.

Ancillary activity in accordance with the classification of activities and Article 206, paragraph 1, items 1, 2, 3, 4, and 5 of the Capital Market Law:

Code 64.99 – Other financial service activities, except insurance and pension funding

This activity includes:

- other financial intermediation services primarily related to other forms of financing, other than granting loans:
 - factoring;
 - services related to swaps, options, and other hedging instruments;
 - activities of viatical settlement companies (purchase of life insurance policies);
- investment of financial assets for own account (primarily in equity securities and ownership interests), such as the activities of venture capital companies, investment clubs (partnerships), and similar legal entities established for the purpose of pooling financial resources and investing them (except through granting loans and issuing debt securities, activity 64.92);
- investment banking services;
- dealer operations on financial markets for own account;
- guarantee and related services, except in the case of standardized guarantee schemes operating in accordance with non-life insurance principles (activity 65.12).

Please contact your agent for further instructions.
